39 responses

Any other Suggestions related to Curriculum:

- We learn life values through curriculum properly.
- Now a day's curriculum has changed as per new demand.
- Add more new technology based on in education new Innovative area.
- Give the tasks in such a way that they can use library max.

Analysis of this survey:

Overall view of this survey was Alumni are satisfied with curriculum. Curriculum is need base and exam are conducted very well in time and covering syllabus. But It is necessary that it applicability in real life situations.

Action Taken:

Discuss these things in IQAC and decided that to do need base.

17. Any other Suggestions related to Curriculum:

Most of the students say that curriculum is Excellent. Some students say that it is useful for living life also. A very few students says that Curriculum must be practical based.

Analysis of Survey:

- Many students say that school internship, Project work and TLM making gives real teacher life Experience.
- Field work during B.Ed. is necessary and relevant.
- Because of corona Situation students says that Test and Examination are not conducted in time and proper coverage of all units.

Action Taken:

-To make the school internship better the teachers are instructed to supervise the activities, guide minutely and give feedback during the internship programme only.

-As the curriculum is designed by the VNSG, the University during the meeting of BOS these elements will be taken care.
