Curriculum from various stakeholders (students, Teacher) and the results and analysis is presented in the meeting for necessary action. This assists in the modification of the theory or practical syllabi so as to make them more relevant and meaningful within the structure of the University. IQAC conducts the student satisfaction survey every year and the results and analysis are presented in the appropriate committees for further action. The official IQAC also looks at feedback obtained on curricular as well as co and extracurricular activities and provides suggestions to the Management for action. An Action Taken report (ATR) is presented at every Meeting by way of procedure. This helps ensure follow up action. There are also Grievance boxes in the College. Grievances and suggestions which are made through this forum are directly looked at by the Principal or seniors delegated and passed on for action.
