• A fundamental or coherent understanding of the field of teacher education:

The Course is designed in such a way that a fundamental and coherent understanding of the field of teacher education is developed among the trainees.

IITE-Uni. Curriculum focusses on very basic aspects of a life i.e. Psychology, Sociology, Pedagogy, Assessment, Self development and School teaching life. These are very basics in the field of a teacher. Without knowledge and experience of all such components it is not possible to mould a teacher needed at present hour.

Knowledge and Curriculum offers opportunities to the students to acquire and demonstrate knowledge, skills, values and attitudes. The Course itself helps the student

- -to understand the Society and Culture of our country with reference to education
- To understand the ideology related to child centred education
- -to become familiar with different perspectives of education in Indian scenario
- -to focus on the social and knowledge related

The College's Prayer Assembly has a mechanism where the future teachers have to develop all four LSRW language skills. Here, the students present a Prayer Song, Rashtragan, a Post Prayer Talk, News Reading, Quiz and a Shloka Recitation.
