પીન - ૩૯૪ ૧૧૫

- Capability to extrapolate from what one has learnt and apply acquired competencies

This College imparts training with the help of the curriculum in such a way where a trainee develops Professional, Pedagogical, Social and Personal competencies.

-Professional competencies like ability to master learning materials well and in depth.

-Pedagogical competency to manage instructional practice involving learners using ICT.

-Social competency to communicate and interact with learners, colleagues, learner's parents and surrounding community effectively and assertively.

-Personal competency to possess and maintain his/her nobility, piousness, wisdom, and model to his/her learners in order to achieve the objective of national education.

Theses competencies are acquired through all the different activates conducted in the college for the benefits of the trainees.
