

College of Education ,Kharod

5.1.1 - A range of capability building and skill enhancement initiatives are undertaken by the institution such as

- 1. Career and Personal Counseling**
- 2. Skill enhancement in academic, technical and organizational aspects**
- 3. Communicating with persons of different disabilities: Braille, Sign language and Speech training**
- 4. Capability to develop a seminar paper and a research paper; understand/appreciate the difference between the two**
- 5. E-content development**
- 6. Online assessment of learning**

1.1 : During the teaching Learning Process

Ours is a Teacher Training Institution. We prepare teachers for the society. During the teaching learning process all the teacher educators of our college give career guidance to the B.Ed. trainees.

1.2 : Quiz for the preparation of competitive examinations

As a part of the career guidance we apply quiz in our prayer assembly on the basis. Every day minimum five questions are being asked by the different anchors of the prayer assembly to the whole group of the students and answers are accept and discuss.

1.3 : All the teacher educators give guidance to academically poor students and do counseling of such students continuously during the teaching learning process.

2.Skill enhancement in academic, technical and organizational aspects.

As a teacher training institution it is our responsibility to develop various teaching skills among all the B.Ed. Trainees. For the development of teaching skills among the B.Ed. trainees we are having a well planned program of microteaching. We sincerely apply the program of micro teaching as suggested by our university, Indian Institute of Teacher Education, Gandhinagar. Moreover, as per the requirement of the present time we try to train our students to use various online platforms like Microsoft Teams, Google Meet, Cisco WebEx and zoom platforms for the teaching.
