5.1.3 Mechanism for redressal of student grievance and redressal committee at college level. Institutional guidelines for students grievance redressal

We have constructed the students grievance and redressal committee at our college. We announce before all the students that such committee is available at our college. Students can present their grievance if they have. For the submission of grievance we are having a complain box at our college in which students can put their grievances freely and without any fear. This locked box is being checked by the members of the grievance committee regularly. it is to be noted that no grievance is received during the year from the students. It is also to be noted that all the students are well adjusted with the college system and getting quality training.

Institution is following the guidelines of the U.G.C (Grievance Redressal) Regulation,2018.....
