

Handwritten Issue : Independent Veeranganas

2020-21

The Government of India is celebrating the Amrut Mahotsav of Independence in the year 2021, we feel a sense of joy and pride in presenting to you the handwritten issue of the Independent Veeranganas prepared by the trainees of FY B.Ed. and S.Y.B.Ed. on the occasion of the Amrut Mahotsav of Independence. In the same way that Veer Saput has been born on earth and Veeranganas have also been born. They have also played a permanent role in the independent movement. The main objective is to develop the writing skills through reading, contemplation , as well as to inculcate patriotism in the life of the trainees by remembering "Shakti Swaroop Stri Charitro" and understanding her contribution as Independent Veeranganas

With the consent of the Principal Dr. PR Master sir in charge of the College, we have prepared this handwritten issue in a very short period of time in which the trainees of FY and SY B.Ed have collected the information and tried to shape the handwritten issue. I would like to thank the members of the college family for their inspiration and guidance and also thank Harshali Patel Apeksha Patel Kirti Patel

Divya Patel Deepika Patel as well as Hasanbhai Vilas Bike and Jyotiben for the writing work. Students' writing and reading activities are expected to gain momentum.
