How to Apply for Internships

Once your profile is complete, you can start applying for internships on the PMIS portal.

Check the internship location carefully!

Make sure it is a location you are comfortable going to..

Apply before the deadline

Different internships may have different application deadlines.

Check the required qualification!

Your chances of selection increases if your qualification is an exact match for the internship

You can withdraw applications!

You can apply and withdraw applications as many times as you want to, **but only before the deadline..**

Need assistance in any of these stages,

Call us at **1800-11-6090**, or

Raise a **grievance** on the PM internship portal

Expectations

- Facilitate **distribution of PM Internship Scheme (PMIS) IEC material** through WhatsApp groups, digital platforms, notice board, and official social media handles of respective colleges.
- **Share the details of Placement Officers** and designate them as **Nodal Officers to ensure the registration** of all eligible candidates and **maximising applications** from interested candidates.
- Support establishment of a **PMIS Registration Desk** within the institution in coordination with the Placement Officer.
- Facilitate **virtual meetings and orientation sessions with placement officers** of colleges for briefing on PMIS objectives, processes, and implementation.
- Conduct/ facilitate organisation of **PMIS awareness seminars** for final-year students of Polytechnic and Engineering institutions.
- Leverage **college alumni networks** to broadcast and promote PMIS information among students and recent graduates.
