

2.4.8 Internship programmed is systematically planned with necessary preparedness

An eight- week internship was organized in the school for the students of sem-3 and sem-4 in IITE, Gandhinagar, VNSGD, Surat also.

The purpose behind organizing this internship was to give the trainees real experience of the school. The trainees had to enquire the ability to use different methods and techniques in teaching and develop skills to use different educational tools and learn to use ICT in the classroom.

The internship was organized with the aim of enabling the trainees to acquire knowledge of some important documents of the school, learn how to do perfect quality management and acquire the ability to become an ideal teacher. How school administrators, principal, teachers, students and their parents build human relationship with each other and create an atmosphere in the institution can only be learned through real experience. So, this institute orient all trainee for internship.

In the internship, the trainees were to give a total of 8 lessons, 4 in their first method and 4 in the second method.

The school councilor was to observe their lessons. During the internship the trainees were to organize and conduct co-curricular and curricular activities held in the school.

Apart from this, they had to complete all the work assigned by the school and works like BOOK Review, Action Research, Case Study, Report writing on school administration and management, and Reflective Diary were also to be completed during this period. They have given adequate guidance by the College professors regarding all these tasks.

The college was provided internship dairy to each trainee for a record of all activities performed during the internship and guidance of the entire internship program was provide by the professor.

The detailed understanding of all the tasks to be done during the internship was given by the professors. The professors oriented them about internship.

The trainees also completed their internship as per the guidelines presented by IITE, Gandhinagar.
