5.1.3 Mechanism for timely redressal of student grievances including sexual harassment and ragging and cases at college level.

We have formed the student's grievance and redressal, sexual harassment and anti-ragging committees at our college. We announce before all the students that such committees are available and working at our college. Students can present their grievance if they have issues.

For the submission of grievance we are having a complain box at our college in which students can put their grievances freely and without any fear. This locked box is being checked by the members of the grievance committee regularly. It is to be noted that no grievance is received from the students. It is also to be noted that all the students are well adjusted with the college system and getting quality training.

Institution is following the guidelines of the U.G.C (Grievance Redressal) Regulation,2018.....Registrations of students done on U.G.C. portal regarding Anti-Ragging.
