5.2.1: About placement of the students

The principal of the college works as the placement officer. Not only that all the staff members of the college also contribute for the placement of the students. We prepare teachers for the society. After completing the B.Ed. training our students get jobs as a teacher in various government, grant in aid and private schools. The process of appointment of teachers in government and grant in aid schools is being done by the Gujarat government. But for the appointment of teachers in the private schools we become linkage between the schools and the students. We recommend our teachers for the post of teachers in their schools. Many principals and trustees of such schools request us to provide teachers as per their requirements and we place our students to such posts. Names and contact numbers of some principals are as follows:

1. Shri Milendrasinh Kesrola, Principal , S.V.M.School, Ankleshwar – 94278 31317
