5.4.1 : Role of Alumni Association (SETU)

Many Members of the Alumni Association – SETU are having a live connection with the college. Many members of the Association are working as the Principals and the teachers of the various Government and private schools. Particularly they support college in the planning and implementation of practice teaching program. Association is having concern about the teaching learning process being implemented at college level and take keen interest in the various programs of the college. Many members are working in the different Government bodies and they support whenever require. Many members of the Association frequently visit to college as per their convenience. In these ways Alumni Association helps in the development of institution.

Two Significant contribution of SETU:

1. Past students of the college help college in the planning and organization of practical aspects of the training whenever required.
2. Alumni Association organized one National Seminar at college in collaboration with the Gujarat chapter of the National level learning organization Council for Teacher Education on the occasion of the retirement of the college principal Dr. Prafulsinh J. Raj on 24-6-2018. In this National seminar Ex-Vice chancellor of the Veer Narmad South Gujarat University, Surat, Pro Vice Chancellor of the Veer Narmad South Gujarat University , Dr.Bhashkarbhai Rawal , Dean of the Education Faculty Dr.Kishorbhai Naik and other well known members of the education fraternity remained present in this seminar.
