5.4.3 Number of meeting of Alumni Association

The College Alumni meets once or twice in a year according to the need. In the meet matters like College Foundation Day, Annual Day Celebration, Teaching Training, Progress of the past students etc. are discussed. Busy schedule of the students is always an issue. In meeting we discuss about quality improvement of Education, also we guided B.Ed. trainees for passing competitive examination like TET. TAT, HTAT and others. Alumni and former faculty actively participate in college Establishment Day and annual day ceremony. Every year on the occasion of the annual day celebration grand evening meet of alumni is arranged in the college.

On 14th June, 2018 permanent Principal of the college Dr. Prafulsinh J. Raj and senior faculty member Dr. Jayantbhai A. Shah retired. On this occasion for the felicitation of Principal Dr. Prafulsinh J. Raj and Dr. Jayantbhai A. Shah one National level seminar was organized by the Alumni Association of the college in collaboration with the Council for Teacher Education on the theme NextGen. For the planning and of this great event one meeting of the Alumni Association was arranged at college on 28-2-2018. While second meeting was arranged on 24-6-2018 after the successful completion of the National Seminar. Thus it is to be noted that total two very concrete meeting of the Alumni Association were held at college apart from the meetings held on the occasion of Annual day celebration every year.

Well organized National seminar is the authentic proof of the meetings of the Alumni Association.

The general meeting of the association was held on 29-3-2019 at 12.00 o'clock before the annual function of the college. The minutes of this meeting and the other related important documents of the association were with the Mr. Virenbhai Ghadiyali, Principal, the Sarvajani High School, Sajod Dist. Bharuch. But accidentally he passed away and the minutes of the last meeting and other documents related with the past meetings could not received. After this incident we passed through the corona pandemic and we need to reconstruct the association. Accordingly we started the process of the reconstruction of the association and on 12-5-2022 we called up the general meeting of the association and we formulated the association. The Agenda and minutes of this meeting is uploaded.
